Lower Keats Glamping whole site

Welcome

Safari Lodges nestled in beautiful countryside and only a 15-minute drive from the amazing Jurassic Coastline in the heart of Devon's Axe Valley, between Axminster and Chard alongside the River Axe.

Ensuite toilets and shower rooms with hot running water, proper beds and their own kitchens with wood burning stoves to keep you snug and warm, even an additional double burner gas hob, for that early morning cuppa or cooking without the need to fire up the stove. Sleep 6 (in 3 separate rooms) in a king bed, two single beds and a double cabin bed.

We recommend Beer Lodge for ease of access being the first lodge on the right in the meadow. To access the lodge (Beer) it has a permanent ramp on the front and 3 downward steps on the rear of the tent. The inside of the tent is all on one level.
